**BACKGROUND**

The East Bay Regional Park District (Park District) regularly hosts events to cultivate strategic relationships with elected officials and agency partners. Event types include site visits, walk and talks, advocacy conferences and relationship building meetings. Staff representatives from the General Manager's Office in Government & Legislative Affairs will provide an informational update to the Board Legislative Committee (Committee) on site visits and meetings which occurred since March 26, 2024.

**ANALYSIS**

Site Visits and Events recently hosted by the East Bay Regional Park District include:

1. **Office of California State Senator Steve Glazer, Roddy Ranch, June 4, 2024.** A member of Sen. Glazer's staff, Anissa Williams (who is also Mayor of Oakley) met Park District staff for an update on project scope, phasing and budget.
2. **Elected Office Site Visit, Tidewater Staging Area, April 25, 2024.** Representatives from the offices of Senator Butler; Representatives Lee and Swalwell; CA Senator Glazer; Assemblymembers Wicks and Bonta; Supervisor Tam; and Executive Officer of the State Coastal Commission were given a site visit of the Tidewater Public Access Improvement Project to explain the need for and scope of the planned improvements. Park District staff shared an update on committed funding, potential future funding sources and the current gap. An ask of all attendees for help in identifying and securing funding was made. Deputy General Manager Alvarez thanked the Executive Officer of the Coastal Commission for the recent grant from her organization.
