

Revised Land Acknowledgment Statement

Board of Directors Meeting
January 14, 2025

Background

- September 2021 - The Board approved a Land Acknowledgement statement.
- This statement had not been formally revised nor institutionalized since approval, resulting in some inconsistent adaptations, uses, and content.
- Per requests from the Board, the chair of the Ohlone Indian Tribe, and staff, a revised Land Acknowledgement Statement was created. Guidelines will also be provided for staff.

Native Peoples of the Region Now Known as the East Bay

Board of Directors Meetings & District Wide Events

"As we gather here today, [and on behalf of the Board of Directors,] I want to acknowledge that all of the lands within the East Bay Regional Park District are the ancestral lands of East Bay Ohlone, Bay Miwok, and the Northern Valley Yokut, who are politically organized and represented by a number of tribes today. We make this recognition as a way to respect and honor the Indigenous peoples who first cultivated and inhabited this land. The Park District is committed to identifying ways to work and consult with East Bay tribes, as we recognize that these tribal citizens remain connected to their land and culture."

Core Land Acknowledgement Statement

“As we gather here today, I want to acknowledge that all of the lands within the East Bay Regional Park District are the ancestral lands of East Bay Ohlone, Bay Miwok, and the Northern Valley Yokut, who are politically organized and represented by a number of tribes today.”

Adaptations

Staff will be supported with adaptations that are inclusive of their expertise and ability. For example:

- At a specific park, such as Tilden and if the speaker *feels comfortable identifying a shared territory boundary*.
- At a specific park where the *language and ethnographic village are known*, such as Coyote Hills.
