BOARD OF DIRECTORS MEETING
AGENDA STAFF REPORT**

DATE	September 3, 2024
TITLE	Authorization to Enter into Contract with Cintas for Districtwide Fleet Uniform and Supply Services in the Amount of \$122,145: District-wide
DIVISION	Operations
FROM	Robert Kennedy, Chief of Maintenance and Skilled Trades Lisa Goorjian, Assistant General Manager of Operations
APPROVED	Sabrina Landreth, General Manager 

RECOMMENDATION

The General Manager recommends that the Board of Directors adopt a resolution that authorizes a contract with Cintas to provide coverall, shop towel, and floor mat servicing at three (3) Fleet's Equipment Shop locations for a period of five (5) years in the amount of \$122,145.

BACKGROUND

The use of coveralls, shop towels, and floor mats, are essential to the operation of the East Bay Regional Park District's (Park District) three (3) Equipment Shops. Services provided will be contracted for a cost of \$122,145 for the five (5) year term.

ANALYSIS

Cintas provides regular weekly delivery, pick-up, and laundering of coveralls, shop towels, and floor mats, allowing for a steady supply with no disruption to operations. The use of this laundering service is widespread throughout the automotive industry, providing readily available access to well-maintained uniform protecting coveralls, clean shop towels, as well as clean floor mats at a steady, predictable expense. It eliminates the necessity of additional uniform allotments and the need to launder in-house, freeing up staff time to perform critical repairs.

FISCAL IMPACT

This laundering service is available directly from Cintas of Mason, Ohio, by means of Omnia Contract No. 001299, based on the results of competitive bid pricing established by the University of Nebraska, Procurement Services. The contract pricing is the result of a competitive bid process and open to all federal, state, and local governmental entities. Public agencies electing to use this method of equipment acquisition avoid the administrative costs of seeking formal bids.
