**RECOMMENDATION**

The General Manager recommends the Board's consideration to approve the appointment of Oakland resident Casey Farmer to the Park Advisory Committee for a term commencing upon adoption of this resolution and ending on December 31, 2025.

**BACKGROUND**

At the January 23, 2024, meeting, the Alameda County Board of Supervisors approved the appointment of Casey Farmer to the East Bay Regional Park Advisory Committee. Casey Farmer is a nonprofit and local government consultant with a history of working in the public sector. Most recently she successfully led the Alameda County 2020 census and 2021 redistricting efforts. She has worked as an educator, a policy analyst and community liaison for an Oakland City Councilmember, Communications Director for State Senator Nancy Skinner, a project consultant for Save the Bay and managed two county-wide ballot measures. She lives in Oakland.

The East Bay Regional Park District's (Park District) Park Advisory Committee (PAC) is a 21-member community advisory group primarily appointed by the Park District Board of Directors (Board). Candidates are nominated by individual Board members and a variety of other public entities, such as the Mayors' Conference, Board of Supervisors, and Special District Chapters of Alameda and Contra Costa Counties. The Park Advisory Committee (PAC) meetings are on the fourth Monday of each month.

The PAC provides community perspectives and advice to staff and to the Board on the issues, projects and policies of the Park District. They make formal recommendations to the Park District Board on:

1. Land Use Plans and Land Use Plan Amendments
2. Budget and Annual Comprehensive Financial Report
3. Ballot Measures
4. Ordinance 38 changes
5. Naming of facilities, parks, or trails

They also consider focused items assigned by the Board or brought to the Board for approval by a vote of the PAC. They include items such as the Park District's trail use and naming policies. These items are considered by the PAC over a series of meetings to solicit a range of input. Members are

appointed for a two-year term and may serve a total of four consecutive terms, or eight years. Service is voluntary and members receive no compensation

### **ANALYSIS**

The Alameda County Board of Supervisors is one of seven external entities charged with appointing PAC Members. As noted in the recommendation, the Supervisors approved Casey Farmer to fill a vacant seat. The Board of Supervisors have notified the General Manager's Office of their desire to appoint Casey Farmer who has indicated her interest in being appointed.
