**RECOMMENDATION**

This is an informational item.

**BACKGROUND**

Chief of Maintenance and Skilled Trades (MAST), Robert Kennedy will provide an update on the District's 2023 storm recovery projects and report what has been completed to date and what has been scheduled to start in 2024. Although the storms affected almost every park in the District, MAST and Park Operations department staff were able to reopen trail corridors, clear large slide debris, clear trees, and renovate facilities. This presentation will provide an overview and summary of the 2023 storm response work since the last presentation to the Board of Directors at the September 19, 2023 Board meeting.
