**BACKGROUND**

The Interpretive and Recreation Services North/West Region is comprised of five workgroups. Tilden Nature Area, Doug Siden Visitor Center at Crab Cove, and Coyote Hills Visitor Center serve the Northwest, Central, and Southwest Interpretive Sectors, respectively. Outdoor Recreation and Mobile Education (Mobile Visitor Center, Mobile Fish Exhibit, Fish Lab) provide service District-wide, and collaborate with all workgroups in Interpretive and Recreation Services.

This update will review 2023 accomplishments and provide an overview of 2024 workplans and initiatives supporting departmental goals and the District's mission.
