- **West Side Restroom Completion**
- **Concessionaire Update**

# Del Valle Visitor Count Comparison: 2022-2023

# 2023 Storm Damage

## Flooding January 2023

- December 31, 2022 storms brought high precipitation causing the water to rise quickly
- Water rose to its highest level in over 40 years at 721'

## Flood Debris

- High waters carried silt and debris from surrounding areas depositing it into parking lots, lawns, picnic areas, and campsites

# Oak Point Restrooms/ Marina Parking Lot

# Flood Damage: Marina and Docks

- Flood waters damage Marina Concession Building beyond repair.

- High flood waters lifts and damages docks

# Marina Area Today

# Flood Remediation

## Debris Removal

- Park Staff work diligently for months removing debris for public access.

## Dock Removal

- Remove flood damaged docks

## Building Removal

- Remove flood damaged buildings and infrastructure

# Lower Phase 2 Silt and Debris

# Campground Summer 2023

- Campground inundated with silt
- 1,850 tons of silt removed October-November 2023
- Only 25% of campground viable for public use

# Campground Damage

## Road Access Flooding

- Damage to road has prohibited access to part of campground

## Campground Culvert Damage

- Culvert damage as well as general flooding has brought large amounts of silt into campground

## Widespread Damage

- Large amounts of run-off caused significant trail damage throughout the park

# Campground road repair/ Silt removal from drainage

 Del Valle  
Visitor Center

# Del Valle West Side Restroom Construction Completion

- The previous Visitor Center bathrooms have been in place since the 1970's. Weather and heavy use have caused serious disrepair.
- Demolition of old bathrooms and construction of new bathrooms took approximately 4 months.
- New unisex ADA accessible restrooms were open for use to the public in August of 2023.

# Concessionaire: Advenco Inc.

- Boat Rentals: Docks and Marina Boathouse removed due to irreparable damage
- Removal of Damaged Marina Building
- Temporary Boat Docks Installation

# Temporary Marina Store and Dock System

*Thank You*
