

**EAST BAY REGIONAL PARK DISTRICT
BOARD OF DIRECTORS MEETING
AGENDA STAFF REPORT**

DATE	February 18, 2025
TITLE	Authorization to Appropriate \$1,525,000 from the Equipment Fund for 2025 Vehicle Replacement and Purchase Fleet Vehicles and Equipment Fund and Authorize Execution of Contracts in an Amount Not to Exceed \$4,591,194 for Fleet Vehicle Replacements and as Additions to the Fleet: District-wide
DIVISION	Operations
FROM	Karen McNamara, Interim Division Lead of Maintenance & Skilled Trades Lisa Goorjian, Assistant General Manager of Operations
APPROVED	Sabrina Landreth, General Manager 

RECOMMENDATION

The General Manager recommends that the Board of Directors appropriate \$1,525,000 from the Equipment Fund for 2025 vehicle replacement and purchase fleet vehicles and equipment fund and authorize execution of contracts in an amount not to exceed \$4,591,194 for fleet vehicle and equipment replacements and as additions to the fleet District-wide. Purchases will be made by joining purchasing programs competitively bid by other public agencies such as the California Department of General Services and Baltimore County, Maryland, and via cooperative purchasing arrangements through organizations such as Sourcewell and Omnia Contract Dealers.

BACKGROUND

The East Bay Regional Park District (Park District) owns and manages a fleet of vehicles and equipment for the operation of regional public parklands and public safety. The Fleet Department retires fleet and equipment due to age, mileage, and declining conditions on an annual basis utilizing the annual base budget. Additions to the fleet are made through new budget requests. Staff work with myriad vendors through the cooperative purchasing programs operated by the State of California, Baltimore County, Sourcewell, and OMNIA Partners, and others, to purchase items that have been competitively bid and have purchasing contracts that may be used by other government agencies. The pricing is the result of a competitive bid process and is open to all state governmental entities and educational institutions. Public agencies electing to use this method of vehicle acquisition avoid the administrative costs of seeking formal bids.

Typically, staff would seek authorization multiple times during the calendar year for significant fleet purchases. This year, to create efficiency and remediate challenges with fleet availability, staff are seeking authorization for routine fleet and equipment purchases for the year through a selection of all potential vendors. This will allow staff to be more efficient and effective in successfully obtaining needed additions to the fleet and in making purchasing decisions. An informational overview of this process was presented at the December 18, 2024, Board Operations Committee. Specialty equipment or items not provided by

the outlined vendors will still require Board authorization for amounts exceeding \$50,000.

A total of 74 vehicles and pieces of equipment are anticipated to be purchased in 2025.

Forty-five fleet vehicles and equipment items are due for replacement in 2025, valued up to \$50,000 each.

17.	Vasco Hills	886	2012	John Deere 329DT Skid Steer

ANALYSIS

The Park District replaces fleet vehicles and equipment on a regular basis; generally, items are retired due to age, high mileage, and/or declining conditions. Additions to the fleet are also added to the annual budget to support new initiatives or needs. Whether additions or replacement, alternatively fueled vehicles (e.g., hybrid, electric, renewable fuel) are purchased whenever appropriate to align with ongoing fleet greening initiatives and Resolution No. 2009-04-102, which established a sustainability policy in the Park District in 2009. An internal green purchasing initiative further dictates that the most sustainable purchases are considered first in fleet replacements and additions to the fleet, either by downsizing or selecting those with clean fuel options. Purchases will be made in accordance with the California Air Resource Board (CARB) Advanced Clean Fleet regulation.

FISCAL IMPACT

Funding for these new purchases is allocated in the 2025 Adopted Budget. The additional \$1,525,000 is required for 2025 vehicle replacements and is requested to be appropriated for that purpose.

SOURCE OF FUNDS	
Equipment Fund Appropriation (554)	\$ 1,525,000
554-5933-000-7505	\$ 3,066,194

**EAST BAY REGIONAL PARK DISTRICT
RESOLUTION NO. 2025 – 02 -
FEBRUARY 18, 2025**

**AUTHORIZATION TO APPROPRIATE \$1,525,000 FROM THE EQUIPMENT FUND
FOR 2025 VEHICLE REPLACEMENT AND PURCHASE FLEET VEHICLES AND
EQUIPMENT FUND AND AUTHORIZE EXECUTION OF CONTRACTS IN AN
AMOUNT NOT TO EXCEED \$4,591,194 FOR FLEET VEHICLE REPLACEMENTS
AND AS ADDITIONS TO THE FLEET: DISTRICT-WIDE**

WHEREAS, the East Bay Regional Park District (Park District) has included funding in its proposed 2025 Budget for the purchase of new rolling stock; and

WHEREAS, the Park District has the need to replace 45 vehicles and equipment items and 17 capital equipment items which are being retired due to age, high mileage, and declining conditions, as well as to purchase 12 additional vehicles and equipment items; and

WHEREAS, the Park District may utilize cooperative purchasing arrangements through the California Department of General Services, Baltimore County, Maryland, Sourcewell, and Omnia Partners in alignment with competitive bidding requirements and these organizations are offering suitable vehicles and equipment based on the results of competitively bid pricing contracts;

NOW, THEREFORE BE IT RESOLVED, that the Board of Directors of the East Bay Regional Park District (Board) hereby authorizes the appropriation of \$1,525,000, which was erroneously omitted, from the Equipment Fund for 2025 vehicle replacement; and

BE IT FURTHER RESOLVED, that the Board authorizes the execution of contracts for the purchase of 74 vehicles and equipment items for a total cost of \$4,591,194, with said sum to be encumbered from the 2025 Budget, Equipment Fund Fleet Account 554-5933-000-7505 as presented to the Board on February 18, 2025; and

BE IT FURTHER RESOLVED, that the General Manager is hereby authorized and directed, on behalf of the Park District and in its name, to execute and deliver such documents and to do such acts as may be deemed necessary or appropriate to accomplish the intentions of this resolution.
