

2024 State Legislation

Recommendation for Support Position – April 10, 2024 Legislative Committee

**AB 3023 (Papan
D-San Mateo)
30x30
Environmental
Protection of
Lands and
Coastal Waters**

- This legislation enhances transparency and accountability of the 30x30 program by requiring CNRA to post how specific plans align with 30x30 program goals.
- Such information could support the Park District's efforts to support the 30x30 program at different levels of government.
- Aligns with the legislative advocacy goal of ecosystem stewardship.

**AB 3147
(Garcia D-
Coachella)
California
Trails
Conservancy**

- Establishes the California Trails Conservancy Program within CNRA.
- Promotes environmentally friendly greenways and trail networks in compliment to the Park District's trail program.
- Aligns with the legislative advocacy goal of climate-friendly transportation.
