BACKGROUND

Seven new Ford trucks will replace Park District trucks which are being retired due to age, high mileage, and/or declining condition. These actions are being recommended as part of the ongoing fleet greening initiatives to upgrade vehicles with newer, fuel-efficient models when they are retired, consistent with the Park District's overall goals of lowering greenhouse emissions. One Ford F250 Crew Cab 4wd truck is an approved department requested change from a F250 Regular Cab 4wd truck assigned to Fire Operations. Alternative fueled models (All-electric or Hybrid) are currently not available for these size trucks.

These seven new Ford trucks are available for purchase directly from Watsonville Fleet Group of Watsonville, California by means of contract pricing established by the State of California, General Services Procurement Division, Contract #1-22-23-20G. The pricing is the result of a competitive bid process and open to all state governmental entities and educational institutions. Public agencies electing to use this method of vehicle acquisition avoid the administrative costs of seeking formal bids.

ALTERNATIVES

For this purchase, staff has determined that there is no significant advantage in formally seeking other bids; therefore, none are recommended.

EAST BAY REGIONAL PARK DISTRICT

RESOLUTION NO.: 2022 - 11 -

November 15, 2022

AUTHORIZATION TO PURCHASE SEVEN FORD TRUCKS IN THE TOTAL AMOUNT OF
