<b>DATE</b>	June 4, 2024
<b>TITLE</b>	Authorization to Purchase Two Ford Pursuit Utility Hybrid Vehicles in the Total Amount of \$120,202 from Folsom Lake Ford for Public Safety Fleet Vehicle Replacements
<b>DIVISION</b>	Operations
<b>FROM</b>	Robert Kennedy, Chief of Maintenance & Skilled Trades Lisa Goorjian, Assistant General Manager of Operations
<b>APPROVED</b>	Sabrina Landreth, General Manager

**RECOMMENDATION**

The General Manager recommends that the Board of Directors authorize the purchase of two Ford Pursuit Utility Hybrid vehicles from Folsom Lake Ford of Folsom, California at a total cost of \$120,202 for Public Safety fleet vehicle replacements.

**BACKGROUND**

These two Ford Pursuit Utility Hybrid vehicles, designed for police use, will replace current District vehicles which are being retired due to high mileage and declining condition.

Department	Unit	Year	Description
PUBLIC SAFETY	338	2017	UTILITY, FORD PURSUIT UTILITY
New Vehicle Description			Ford Pursuit Utility Hybrid
PUBLIC SAFETY	355	2018	UTILITY, FORD PURSUIT UTILITY
New Vehicle Description			Ford Pursuit Utility Hybrid

These two new Ford Pursuit Utility Hybrid vehicles are available for purchase directly from Folsom Lake Ford by means of contract pricing established by the State of California, General Services Procurement Division, Contract #1-22-23-14C. The contract pricing is the result of a competitive bid process and open to all federal, state, and local governmental entities. Public agencies electing to use this method of equipment acquisition avoid the administrative costs of seeking formal bids.

**ANALYSIS**

The Park District replaces fleet vehicles and equipment on a regular basis; generally, items are retired due to age, high mileage, and/or declining condition. Additions to the fleet are also added to the annual budget to support new initiatives or needs. Whether additions or replacement, alternatively fueled vehicles (e.g., hybrid, electric, renewable fuel) are purchased whenever appropriate to align with ongoing fleet greening initiatives and Resolution No. 2009-04-102, which established a sustainability policy in the Park District in 2009. For this purchase, staff has determined that there is no significant advantage in formally seeking other bids; therefore, none are recommended.

**FISCAL IMPACT**

Funding for this purchase is allocated in the 2024 Adopted Budget. No additional appropriation is necessary.
