

8. Authorization to Amend a Contract with KOA Hills to Increase the Total Amount of the Contract to \$125,000 for Consulting Services and Support for Finance Enterprise

**EAST BAY REGIONAL PARK DISTRICT
BOARD OF DIRECTORS MEETING
AGENDA STAFF REPORT**

DATE	February 18, 2025
TITLE	Authorization of Amend a Contract with KOA Hills to Increase the Total Amount of the Contract to \$125,000 for Consulting Services and Support for Finance Enterprise
DIVISION	Finance and Management Services
FROM	David Rusting, Chief Information Officer Deborah Spaulding, Assistant General Manager of Finance and Management Services
APPROVED	Sabrina Landreth, General Manager 

RECOMMENDATION

The General Manager recommends that the Board of Directors authorize an amendment to increase the total amount of the contract with KOA Hills to \$125,000 for consulting services and support.

BACKGROUND

The East Bay Regional Park District (Park District) has used KOA Hills for consulting and support services for the Park District's Enterprise Resource Planning (ERP) System, called Finance Enterprise, for both the Human Resources and Finance and Management Services Divisions. KOA Hills has specialized skills related to Finance Enterprise, which enables the Park District to manage the operational and reporting demands for financial and human resources reporting.

ANALYSIS

Previous contracts with KOA Hills did not meet the monetary threshold for Board approval, but in support of standardized contracting, a single contract was established in 2024 in the amount of \$45,600. For 2025 and 2026, anticipated spending will be approximately \$40,000 per year, so the request to increase the contract amount to \$125,000 is to address ongoing consulting and support services slated for 2025 and 2026. Reporting obligations for both Human Resources and the Finance Management Services Divisions have increased significantly requiring more from KOA Hills to ensure the Park District's ERP System provides accurate information and data reporting.

The Board could choose not to proceed with the increase request, but this is not recommended because the Park District would not have the needed operational support for Finance Enterprise which could impact accurate data reporting from the Divisions.

FISCAL IMPACT

This action will increase the contract authorization to \$125,000 to cover projected costs for consulting and support services and project work that is needed within the Park District. This amount is based on historical costs, 2025 expenditures and 2026 forecasts. Sufficient funds are budgeted in

and expected to be available in the Information Services' Department Budget, in account 101-4150-000-6443, for Support Contracts.
