<b>DATE</b>	March 18, 2025
<b>TITLE</b>	Resolution Authorizing the Continuation of the Appointment of Karen McNamara as Interim Division Lead (Chief) of Maintenance and Skilled Trades in the Operations Division Pursuant to Government Code Section 21221(H)
<b>DIVISION</b>	Human Resources

**RECOMMENDATION**

The General Manager recommends that the Board of Directors adopt a Resolution authorizing the continued appointment of Karen McNamara as Interim Division Lead of Maintenance and Skilled Trades (MAST) in the Operations Division of the East Bay Regional Park District (Park District) effective through May 23, 2025.

**BACKGROUND**

The Park District's Chief of MAST<sup>1</sup> position became vacant on September 9, 2024, after the Park District promoted Robert Kennedy (former Chief of MAST) to Division Lead of Park Operations. To temporarily fill this vacancy, the Park District obtained authorization from the Board of Directors on September 17, 2024, to appoint Karen McNamara as Interim Chief of MAST. (See attached Resolution 2024-09-200.) The appointment was authorized until the Park District hired a permanent Division Lead of MAST or February 15, 2025, whichever was earlier. Following Karen's temporary appointment in September 2025, the Park District proceeded with a nationwide recruitment for a permanent Division Lead of MAST, which concluded with the selection of a candidate in early February 2025. The permanent candidate is scheduled to start on April 28, 2025. As a result, and by way of this Resolution, the Park District seeks additional authorization to continue the appointment of Karen until the permanent employee is onboarded at the Park District.

**ANALYSIS**

California Government Code section 21221(h) allows the governing body of the Park District to appoint a CalPERS retiree with specialized skills to an interim position during the recruitment for a permanent appointment. While the Chief of MAST is appointed by the General Manager and supervised by the Assistant General Manager (AGM) of Operations, state law enacted as part of CalPERS' retirement system reforms requires that the Board of Directors authorize the appointment of CalPERS retirees to interim management positions such as the Division Lead of MAST position. This required CalPERS appointment process does not modify any of the Board Operating Guidelines

or Personnel Administrative Manual regarding the General Manager's authority to manage administrative affairs, including but not limited to appointing Park District staff, including the Division Lead of MAST. CalPERS also requires that the compensation for retirees appointed pursuant to Government Code section 21221(h), "shall not exceed the maximum monthly base salary paid to other employees performing comparable duties as listed on a publicly available pay schedule for the vacant position." Furthermore, retired annuitants are not eligible to receive any additional benefits or compensation and cannot work more than nine hundred sixty (960) hours per fiscal year.

The General Manager recommends and seeks to continue Karen McNamara's appointment as Interim Division Lead of MAST through May 23, 2025. This continued appointment would amend Resolution 2024-09-200 as to the end date of the Interim appointment only through May 23, 2025. In keeping Karen as a retired annuitant in the MAST Department, this will ensure continued integral management oversight of the Department as well as a short overlap with the new permanent Division Lead of MAST for training and onboarding purposes. Karen possesses the necessary experience as a former parks and public works professional to serve in an interim capacity. She recently served as the interim assistant Public Works Director/Director of Recreation and Parks at San Leandro and prior to that she served in an interim capacity at the Hayward Area Recreation and Park District in the position of Interim Assignments/Special Projects. Prior to retiring she held the position of the Director of Public Services/Interim Director of Parks and Community Services at city of San Ramon.

Karen agreed to continue on as the Interim Division Lead of MAST on the terms and conditions set forth herein. Karen will continue to perform the full range of job duties as set forth in the Park District's Division Lead of MAST job description and will still oversee the MAST Department in the Operations Division. The terms of this at-will interim appointment are as follow:

1. Initial Appointment Date: September 23, 2024.
2. Work Schedule: At the discretion of the AGM of Operations and in accordance with CalPERS regulations, including the limit on the number of hours (960) a retired annuitant can work in a fiscal year.
3. Duration of Appointment: September 23, 2024, through May 23, 2025.
4. Current Hourly Pay Rate: \$95.48/hour - Step E in the Management Salary Range MG05, commensurate to the Division Lead of MAST compensation structure in the Park District's posted Salary Schedule.
5. Benefits: None

The duration of Karen's interim appointment through May 23, 2025, will provide the essential management over the MAST department as well as a brief overlap once the permanent Division Lead of MAST starts with the Park District.

## **FISCAL IMPACT**

The cost associated with this action is within the adopted 2025 Budget and does not require additional appropriation.
